TAG DAY REVIEW
Thanks to everyone who came out this year’s Thank-A-Giver Day! Because of your help, we had hundreds of students sign thank-you letters that are being mailed out to all of KSU’s generous donors. The event itself took place on August 22nd and 23rd on both campuses. The Leadership Team members and Office of Annual Giving employees encouraged students to complete a brief thank-you letter to an anonymous community donor. These donor names are of people that has donated to any program or entity on campus, from athletic and scholarship programs to services such as the CARE Center and CYAAR.

Photo from the event can be found on our Facebook page via the button to the left.
