**TAG DAY REVIEW**

Thanks to everyone who came out to this year's Thank-A-Giver Day! Because of your help, we had hundreds of students sign thank-you letters that are being mailed out to all of KSU's generous donors.

The event itself took place on August 22nd and 23rd on both campuses. SPC Leadership Team members and Office of Annual Giving employees encouraged students to complete a brief thank-you letter to an anonymous community donor. These donors include anyone that has donated to any program or entity on campus, from athletic and scholarship programs to services such as the CARE Center and CYAAR.

Photos from the event can be found on our Facebook page via the button to the left.

**MEMBER SPOTLIGHT**

Want to know why philanthropy is so important to our members? Here's SPC Traditions & Initiatives Chair Rachael Rucker on why she gives:

*"I give to put a little bit of good back into the world that has given me so much."*

Short and sweet, yet incredibly important! If you'd like to be featured in an upcoming Member Spotlight, send us a short quote and picture, and we'll be sure to work you in.

You can email the information to us at [studentphilanthropy@kennesaw.edu](mailto:studentphilanthropy@kennesaw.edu), respond to this email, or message us through Facebook or other social media sites.

Campus Awareness, Resource, and Empowerment Center

**CARE SERVICES HIGHLIGHT**

The Campus Awareness, Resource & Empowerment (CARE) Services offers support to students who have experienced homelessness, food insecurity and/or the foster care system, and is SPC's fundraising target for this year.

The CARE Services provides both on and off campus resources, operates the campus food pantries, provides personal care items and assists in accessing temporary and/or permanent housing. We are excited to support this great service to our KSU family again this year and would love you all to help us!
